47”x43”x36” 29cu/ft 218 gal

47”x43”x51” 44cu/ft 330 gal

Rotational Molded Container

The D4 Series

4Way Fork/Pallet Jack

Nestable/Stackable w/Lid

Works in conjunction with other containers

Colors and Stencil Available

Tare WT	150 – 170 lbs
Load Capacity	2, 500 lbs
48”X44”X42”	37cu/ft 277gal
48”x44”x45”	40cu/ft 300 gal
48”x44”x56”	50cu/ft 375 gal

Rotational Molded Container

D4NP Series

Same Container as the D4 with the difference being that the PALLET IS NOT BOLTED ON THE container.

The container actually nests into the pallet so as to avoid any opportunity for bacteria or dirt to get stuck between the pallet and container

Repair Service Overview

A comprehensive service program is available which includes transportation to and from customer, evaluation of container, labor and materials (includes stencil, catalog, etc.)

Service centers are located in Macon, GA, Tulsa, OK, and in Iowa City, IA.

We offer trade-in value for ALL containers for credit on Repairs and/or New Products
